Supporting Children and Parents: All families may benefit from support at some point in their lives. There are many useful supports available for children, young people and parents. However, the many sources of information, advice and support can be overwhelming. Supporting Children and Parents brings together new and existing resources that children and parents may find helpful. It provides a starting point to access high-quality, trusted information and support in an easy to navigate format.

Supporting Children and Parents is continuously updated as new resources become available.

There is also a dedicated [Ukrainian Resources](#) section

SunSmart campaign & Children's Art competition: As part of the SunSmart campaign the HSE's National Cancer Control Programme, in collaboration with Healthy Ireland and cross-sectoral partners are working together to support people to protect their skin from the sun. The aim of the campaign is to increase awareness of the steps you and your family can take to protect your skin from the sun and reduce your risk of skin cancer in Ireland. A Children's art Competition is also being run as part of the campaign and is open to all primary school children, depending on their age category to either colour-in a SunSmart image or draw an image showing how to be SunSmart!

START Public Health Campaign: START is a public health campaign which aims to support families to take small steps to eating healthier food and becoming more active. New research shows that families spent €160 on treat foods during April 2022. The START campaign launches its latest drive to encourage parents to reduce treats with advice on ways to start swapping treats with fruit after school.

8 Steps to Inclusive Youth Work – New Resource Launched (NCYI): The National Youth Council of Ireland (NYCI) has launched the new updated “8 Steps to Inclusive Youth Work” a tool that supports youth organisations to build best quality inclusion practice in youth settings. Building responsive, diverse and inclusive youth settings is critical in ensuring that everyone in the community can play their part in creating a society that is socially just and equal.

The 8 Steps to Inclusive Youth Work recognises that every youth worker and every organisation is on a different stage of the journey in their inclusion practice, and it has something to offer everyone on that journey. To download this free resource [CLICK HERE](#)

First 5 My Little Library Initiative: More than 60,000 children will start school in September 2022 and each participating child is invited to collect a **FREE Book bag** of stories and fun from their local library.

This project is a collaboration between the Department of Children, Equality, Disability, Integration and Youth (DCEDIY), the Department of Rural and Community Development (DRCD), local authorities and the Local Government Management Agency (LGMA).
